

SignalServiceImpl::
ComputeFastWaveletTransform

```
graph LR; A[SignalServiceImpl::ComputeFastWaveletTransform] --> B[SignalServiceImpl::FastWaveletTransform];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'SignalServiceImpl::ComputeFastWaveletTransform'. The right box is gray with a black border and contains the text 'SignalServiceImpl::FastWaveletTransform'. A blue arrow points from the right side of the left box to the left side of the right box.
